There 's Something I Want 140

STORY

The story begins when both Mayu and Takuma were eight years old. Being the daughter of Takuma's cardiologist, Mayu became close friends with Takuma. One day, Mayu overheard their parents talking about how Takuma would not live past twenty. Henceforth, Mayu began to become entirely devoted to Takuma.

In the summer of sixth grade, Takuma, who went on a field trip with Mayu, learned of his true fate. He realized that Mayu, who also knew of the truth since they were young, has been in pain ever since. In order to separate himself from Mayu, he decided to go to a boarding school. However Mayu, in pursuit of Takuma, applied to the same middle school.

Despite being infatuated with one another, the two cannot be honest with each other. It was at that time that Teru, whom Takuma had met again at the hospital, suddenly died. Takuma decided to keep away from Mayu, since even Teru, who had been in a better condition than he had, had died.

Takuma and Mayu are now high school students. Takuma, who knows his condition has taken a turn for the worse, creates a distance between himself and Mayu. Nevertheless, the delinquent who is a year younger than he, Yuuki Yori, forces Takuma into a trap, and Takuma's emotional confession is broadcasted to the entire school. Towards Mayu, who tries to get close to him again, Takuma...!?

CHARACTER

Message from the Author

The seventh volume goes into a delicate episode. I was also nervous, even while drawing it. If you can carefully take it in, I'll be happy. But we're already at the seventh volume...I have a feeling that it'll be longer than I thought it would be. I'll be doing my best crisply (bitter smile)
